Dear Steve

I'm sorry to chase you on your response but as you are probably aware, the above patent application entered into National Phase on 18 December 1999. We have instructed the local attorneys to file the equivalent National applications, as Bianca Stuchfield outlined in her letter of November 22<sup>nd</sup> 1999, where she had enclosed forms for your execution to necessitate the formalities at the various Patent and Trade Mark Offices.

Because of the ongoing negotiations regarding the full contract, these forms still remain outstanding. If we can obtain signatures on the forms this would be preferable and certainly reduce the costs to all involved. I hope from my last correspondence we have now closed the issues down and are nearer to finalising the details of the definitive agreement.

If you could come back to me as soon as convenient.

With Best Regards

Stephen
